Joseph Toscano

Independent Radical Candidate Standing in the Higgins By-election

HELP NEEDED

I'm standing in the Higgins by-election on a radical ticket to raise issues directly with the electorate that are normally not raised among Australians. The Anarchist Media Institute is in the process of forming an Independent Radical Caucus with other activists, initially in Victoria and eventually in the rest of Australia, to use the electoral process to raise ideas directly with the public. The Higgins by-election campaign is a test run of this tactic. In order to give the idea the best chance of succeeding and having the best chance of influencing people during the Higgins by-election we need to be at every polling booth in Higgins on Saturday 5th December 2009.

If you support this campaign and wish to hand out this leaflet on the day - Saturday 5th December 2009.

Contact me ASAP on 0439 395 489

Email me at anarchistage@yahoo.com

Write to PO Box 20, Parkville 3052

So I can pass on the literature to you and organise with you what booth you want to cover on the day.

72 volunteers needed to hand out campaign literature outside 36 polling booths for the Higgins by-election

Saturday 5th December

8:00am to 6:00pm
